

CSE Global (Australia) Pty Ltd, is committed to providing products, solutions and systems that will increase operational efficiencies and achieve environmentally sustainable practices for all Employees, Customers, Suppliers, Communities and Partners.

## We accomplish this by:

- Limiting disruptions to the natural environment and the communities in which we operate.
- Making sure all operations are environmentally sustainable.
- Engaging suppliers and subcontractors who align with our environmental standards.
- Enhancing environmental knowledge of management and staff through training programs.
- Continuously improving our Integrated Management System.

Roy Rowe  
Chief Executive Officer  
CSE Global (Australia) Pty Ltd
